

Date: August 2023

Important Opening of School Information

- Eligible students who are enrolled in CMS **by August 1** and have registered for transportation services, should have a stop for the first day of school, Monday, August 28. Note: **Registered means the student has been entered in PowerSchool and requested transportation via the '2023-24 Intent-to-Ride' by 6:00 PM on August 1.**
- Eligible students who have moved, had a change in PowerSchool, and have registered for transportation between **August 2 and August 24**, should have their stop in place for the **afternoon** bus ride Tuesday, **August 29**. This includes new students enrolled within the dates above. Note: Priority is given to eligible students requesting service to and from home to school, **it may take several weeks to process alternate stops/daycare stops at the beginning of the school year**
- Eligible students who have moved, had a change in PowerSchool, and have registered for transportation between **August 25 and August 29**, should have their stop in place for the **afternoon** bus ride on Thursday, **August 31**. Note: priority is given to eligible students requesting service to and from home to school, **it may take several weeks to process alternate stops/daycare stops at the beginning of the school year.**
- Eligible students who have moved, had a change in PowerSchool, and have registered for transportation between **August 30 and August 31**, and are eligible for transportation should have their stop in place for the **afternoon** bus ride on Wednesday, **September 6**. This includes new students enrolled within the dates above. Note: Priority is given to eligible students requesting service to and from home to school, it may take several weeks to process alternate stops/daycare stops at the beginning of the school year.
- Students who have moved, had their new address recorded in PowerSchool on **September 1 or later**, and are eligible for transportation will have their bus stop **set by the Transportation Area office through the AlphaRoute program**. Schools, transportation offices, and call center staff can access the start dates using the EveryInfo program.
