# Purpose: New Schools and Boundaries

- Superintendent's Recommendation to The Charlotte-Mecklenburg Board of Education is final
  - Result of staff work and community engagement
- Public Hearing on Superintendent's Recommendation
  - Feedback received in person and through online feedback form on boundaries, programs, and process
- The Charlotte-Mecklenburg Board of Education will take action at next regular meeting
  - Options include adoption; rejection; and/or modification

# Purpose: New Schools and Boundaries

- New 100 classroom relief high school
  - Funded by 2017 CIP; opens August 2024
  - To relieve overutilization at Ardrey Kell, Myers Park, and South Mecklenburg
- New 54 classroom relief middle school
  - To be funded by 2023 CIP; planned for opening in August 2025
  - To relieve Community House, Jay M. Robinson, and Rea Farms
- Potentially involved schools
  - Other schools and boundaries may see changes to feeder patterns or boundaries given proximity to, and timing of, the new relief schools

# Feedback Received: Draft 2 Scenario

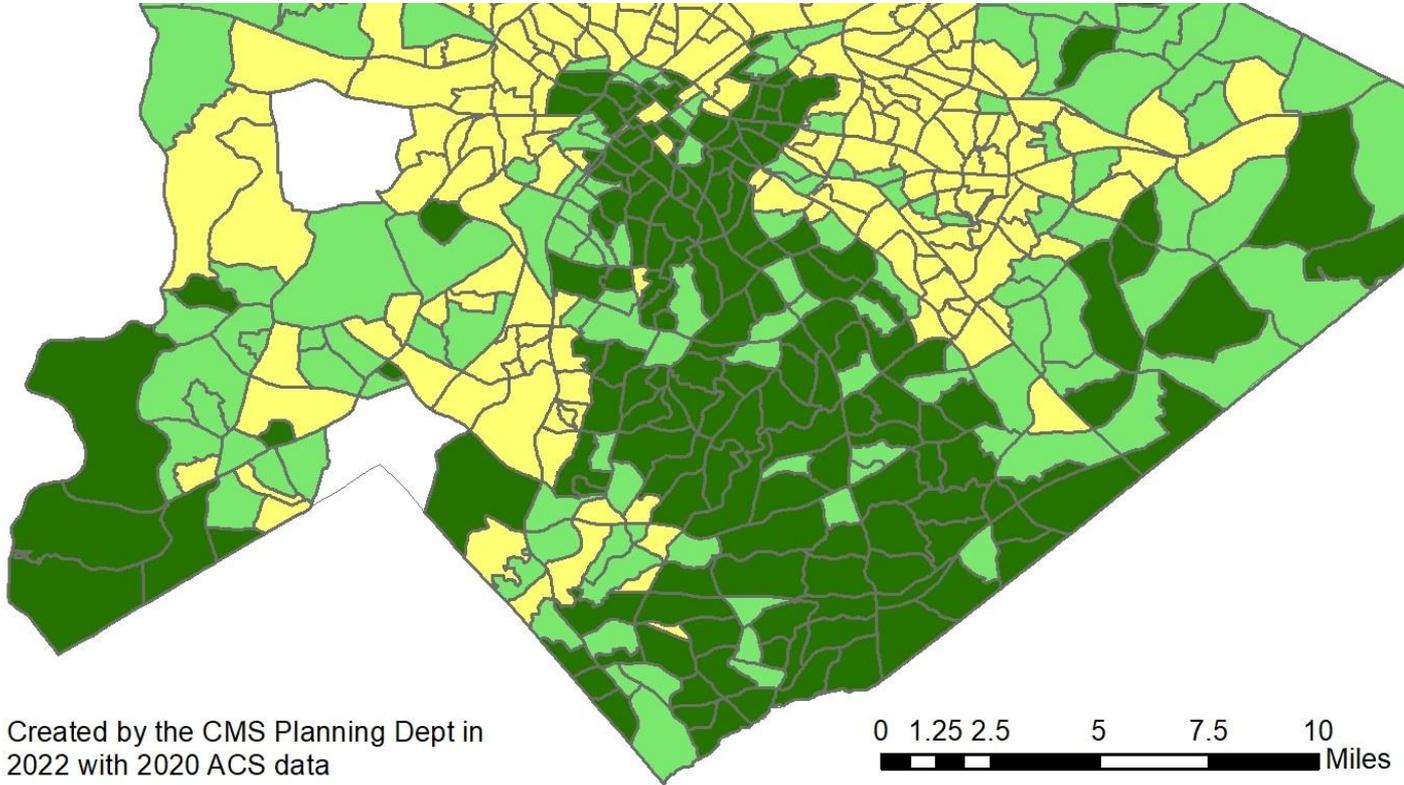

## Community feedback received

- 3343 feedback responses submitted
- 575+ people attended the in-person sessions
- 387 people attended the zoom session
- 600+ emails received

## Top priorities

- Home-to-school distance and travel time
- SES diversity
- Requests to minimize change and keep students, families together

# Socioeconomic Status (SES)

	High	Mid	Low
South County	60%	23%	17%
County-wide	29%	34%	36%

# All Schools Impacted by Proposed Boundary or Feeder Changes

# Magnet and Legacy Recommendation

- Language programs to remain at South Mecklenburg
- No changes to the International Baccalaureate (IB) program at Myers Park
  - Current 9th grade students (in 22-23) at Myers Park who are on track for the IB diploma will have the option to remain at Myers Park without transportation, as long as they continue to meet the requirements for the diploma program
    - IB students at Myers Park who no longer meet the diploma program requirements will attend their new home school
  - Myers Park students on track for the IB diploma reassigned to Providence will be guaranteed an IB spot at East Mecklenburg
- New IB program at relief high school
  - MYP (Middle-years program)
  - Feeder schools: Olympic, Palisades, Ardrey Kell, South Meck
    - Providence continues to feed into East Mecklenburg IB

# Magnet and Legacy, continued

- Rising seniors (in 24-25) will automatically finish at their current school
  - With transportation
- Relief high school opens with grades 9-11
  - Rising juniors have the option to stay at their current school
    - Without transportation
    - Following policy [O-BUS](#), regarding bus scheduling and routes, *“a pupil residing in one attendance area and attending a school in another attendance area may have transportation to such school from any regular stop within the school attendance area and from the school to the same passenger stop.”*
    - No sibling guarantee, but may apply for a transfer without transportation
  - Juniors going to their newly assigned school offered transportation
- Rising freshmen (in 23-24) reassigned to South Mecklenburg or Providence high schools may attend 9th grade at their new school
  - With transportation

# CMBE Policy: Enrollment

School (HS)	Number of Classrooms	Enrollment (2022-23)	Estimated Enrollment (2025-26)
Ardrey Kell	96	3529	2459
Myers Park	140	3593	2822
Providence	88	2048	2202
South Mecklenburg	125	3344	2770
NEW HS	100	0	2186

# CMBE Policy: Utilization

School (HS)	Staff Building Utilization* (2022-23)	Estimated Staff Building Utilization* (2025-26)	Utilization** (2022-23)	Estimated Utilization** (2025-26)
Ardrey Kell	169%	118%	147%	102%
Myers Park	123%	96%	103%	81%
Providence	114%	122%	93%	100%
South Mecklenburg	136%	113%	107%	89%
NEW HS	NA	112%	NA	87%

\*Staff building utilization: The percent that brick-and-mortar classrooms are being utilized, as calculated on the number of physical classrooms and the number of classroom teachers, assuming all teachers have their own classroom. Schools that are overutilized must manage through “float” and/or portables, as applicable. 130% utilization means every classroom is in use during all periods.

\*\*Estimated utilization is based on 25 students per classroom.

# CMBE Policy: Socioeconomic Status (SES)

School (HS)	Current SES			Scenario SES		
	HIGH	MID	LOW	HIGH	MID	LOW
Ardrey Kell	78%	21%	1%	73%	25%	2%
Myers Park	56%	25%	19%	49%	27%	24%
Providence	79%	21%	<1%	81%	19%	<1%
South Mecklenburg	30%	23%	47%	48%	14%	38%
NEW HS	NA	NA	NA	51%	26%	22%

SES is an index variable based on family income, adult educational attainment, household composition (one or two-parent household), home ownership, and English language ability. This is calculated at the census block group level using 2020 American Community Survey data. Areas are ranked relatively to the rest of the County.
