

Greetings David W. Butler Families:

Welcome to the 2024-2025 school year! As your principal, I am excited to begin my second year at David W. Butler High School to continue the legacy of greatness. There will be a continued focus on creating a strong sense of belonging, school attendance, instructional excellence, and attainment of credits towards on-cohort graduation. This will require a concerted effort between the Bulldog staff and all families. We look forward to your renewed support and collaboration in every area of the Bulldog experience for our students.

Last year's theme of "Pursuing Excellence" continues this year because excellence is a process that requires strategic planning, action, growth, and refinement. As a school community, we made great strides last year and are committed to continuing the progress toward excellence in all areas. I ask that our Bulldog school community commit to doing the same and grow with us. Commit to creating positive two-way communication and engagement between Butler High School and your home. We want to ensure you have the information and access you need for a successful year for every student. We are connected to a legacy of greatness. Let's pursue excellence together and rise to greater heights as a school and community.

Leading the pursuit of excellence,

Dr. Yolanda Blakeney Principal
Butler High School
1810 Matthews-Mint Hill Road
Matthews, NC 28105 980-343-6300
