

STUDENT TECHNOLOGY AGREEMENT

Before students are given access to the Internet from CMS computers or otherwise allowed to use the CMS network, they must accept the terms of the "Student Internet Use Agreement." This Agreement defines the educational objectives and guidelines for use, informs student users that their online activities are subject to monitoring, and sets forth unacceptable uses that may lead to revocation of access and possible legal action. Parents of students younger than age 18 who do not want their children to use the CMS network and/or to access the Internet at school must notify the school in writing. (S-SINT)

CMS STUDENT INTERNET USE AGREEMENT

Students must accept this Agreement before they can log on to a CMS computer that is connected to the CMS Network.

I understand that my school has computers and the Internet so I can learn more about what I am studying in my classroom. Students at my school also use a computer to check out books from the Media Center.

There are rules in the Student Handbook I must follow if I want to use the Internet at school. My teacher explained these rules to me, and I understand them. If I do not follow the rules and the directions of my teacher when using the Internet, I may not be allowed to use the Internet at school. Not following these rules may also mean I have broken the rules in the Code of Student Conduct. I could be disciplined or be suspended from school for not following the rules and the directions of my teacher.

STUDENT RULES FOR USING THE CMS NETWORK OR INTERNET

Violating the rules for using the Internet or the CMS Network is a serious matter. Students who do not follow the "Netiquette Rules" or do any activities that are "Unacceptable Uses" are violating the CMS Code of Student Conduct and may also be breaking the laws of the United States or North Carolina.

The following list is summarized from Regulation S-SINT/R "Student Internet Use and Network Access" and policy S-SINT, "Student Internet Use," which contains a more detailed statement of these rules. The regulation is reprinted in the Parent-Student Handbook and is available online at www.cms.k12.nc.us.

Unacceptable Uses:

- Disrupting the CMS network
- Introducing (or attempting to introduce) viruses into the network
- Hacking
- Asking other people to do things that are illegal
- Looking at material that is threatening or pornographic
- Using profanity, words that hurt or threaten other people
- Sending messages or images about sex
- Copying the work of other people/plagiarism
- Use of Artificial Intelligence (AI) for unethical uses as outlined in the Code of Conduct, S-SINT, and S-SINT/R
- Selling things
- Working for a political candidate
- Sending chain letters or asking for money (phishing)
- Posting pictures of a student or schoolwork without permission
- Giving out personal information about other students or staff without their permission
- Forwarding e-mail without the permission of the author
- Giving out information that belongs to a company without permission
