The ACE 21st CCLCs provide a safe, nurturing environment and interesting activities for children at Druid Hills Academy, Hornet’s Nest Elementary, and JH Gunn Elementary during hours beyond the regular school day. The ACE 21st CCLCs supports and supplements the learning taking place during the school day. Quiet time is scheduled for homework in addition to the time scheduled for the development of friendships, age-appropriate physical activities, and opportunities to pursue interests and talents.

Parents can get information about school closings from local television and radio stations, on social media, and from the CMS website, www.cmsk12.org.

ACE 21st CCLC Summer Camp. Camp is offered at one site for eight one-week sessions. Registration for summer camp usually begins in February.

**Hours of Operation.** ACE 21st CCLCs operate from the time of school dismissal until 6:00 p.m. In the event of severe weather, please refer to our local weather station and the CMS website. During early release days, the ACE 21st CCLCs will operate three hours earlier than usual and close at their normal times. Operating hours on teacher workdays offering full-day programming are 6:45 a.m. to 6:00 p.m.

**Early Release Days.** CMS believes the practice of early release days to support instructional planning and teacher professional development is an integral part of helping every student to be academically successful. CMS will start its ACE
21st CCLCs three hours earlier than usual and end them at their normal times. During the 2023-2024 school year, these
days are September 20, October 18, 2023, and February 14, March 13, 2024.

**Full Program Days.** Field trips are scheduled on select teacher workdays. Students participating in field trips must have
a signed permission slip and arrive prior to the scheduled departure time. **Students cannot be dropped off or picked up at field trip locations.** Pack a nutritious lunch labeled with the student’s names and date on full program days.

**Star-Rated Licenses.** The majority of ACE 21st CCLC sites are licensed at a level that exceeds the minimum licensing
regulations required by the North Carolina Division of Child Development.

**Transportation.** ACE 21st CCLC programs can provide transportation home on regular school days. Transportation is not
provided on Early Release Days or Teacher Workdays. Please speak to your ACE 21st CCLC Site Coordinator if you require
transportation for your child(ren).

**Insurance Requirement.** Children enrolled in ACE 21st CCLCs must have medical insurance coverage through the
school student accident insurance plan or through personal insurance coverage. Proof of insurance coverage must be
provided within the first two (2) weeks of school for continued participation.

**Hospital Preference.** Emergency information requires parents to list the name of a hospital. Insurance may dictate a
particular hospital location. “Closest” or “Any” **will not be accepted** on your child’s form. Parents must list the name
of a preferred hospital.

**Authorized Persons to Pick Up Child.** The ACE 21st CCLC site must have written authorization from parents for other
persons to pick up their child from ACE 21st CCLC. Parents/Guardians can access their authorized pick up list by logging
in to their Eleyo account. Parents/Guardians must notify the site coordinator if changes are made to a student’s
registration contract. Authorized persons must be sixteen (16) years of age or older. No child will be allowed to sign
her/himself out of ACE 21st CCLC. If a parent is not allowed to pick up a child, ACE 21st CCLC must have a copy of the
appropriate court order on file. Adults bringing or picking up a child from an ACE 21st CCLC program must come into the
building/door to sign the child in or out. Picture identification is required when picking a child up from ACE 21st CCLC.

**CMS is a Tobacco-Free Campus.** School policy prohibits the use of tobacco products, including electronic cigarettes:
Everywhere, At ALL Times. THANK YOU FOR YOUR COOPERATION.

**Intoxication.** Your child’s safety is our first priority. At times we are called to make judgments concerning their safety. If
ACE 21st CCLC personnel believe that a person is intoxicated when they arrive to pick up a child, we will help arrange an
alternate plan for the transportation of the child and the adult. We will try first to contact another authorized person listed
on their registration form, and/or the emergency contacts listed on the child’s registration form. If those means are
unsuccessful, a cab will be called at the person’s expense. If the person is suspected to be under the influence of drugs or
alcohol and is unruly, uncooperative, or out of control physically, for the safety of the child and staff person, ACE 21st
CCLC personnel will determine if local authorities should be contacted.

**Termination.** The Site Coordinator must be notified five school days in advance of the date of withdrawal when planning
to terminate their child’s participation in ACE 21st CCLC. Notification must be made using Eleyo, the online system. If a
child is absent from ACE 21st CCLC for one week without communication from parents/guardians, we will assume the
child’s participation has been terminated and will drop the enrollment.

**Behavior Guidelines.** Each ACE 21st CCLC site has clear, written behavioral expectations of the staff and students at the
site, and a plan outlined to maintain a positive environment. You will be asked to read and sign these guidelines with your
child on the first day of participation. Students suspended from ACE 21st CCLC are not allowed to attend ACE 21st CCLC
until the suspension is complete. The full weekly fee is still due and, credits for a student’s absence due to suspension
will not be given. Parents/Guardians dropping off and picking up students are also expected to exhibit proper behavior to
maintain a positive environment. Parents/Guardians exhibiting hostile behavior including the use of profanity or
communicating threats, etc. toward staff or other families are subject to being released from the program or banned from
campus.
Arrival and Pick-up Procedures. An ACE 21st CCLC staff person will greet you and your child upon arrival. Students and staff will wash/sanitize their hands upon arrival to the program. At pickup each evening, parents will be greeted at the door. Students will be released once the parent/guardian has signed out their child. Staff will escort students to and from their classroom location.

Medication Policy. ACE 21st CCLC wants to provide your child with the best and most accurate care possible. Therefore, if your child will be taking medication at any time during their program period, you must follow these steps:

1. Parents/Guardians must complete a medication form, including physician's signature for each prescription medication, nonprescription medication, supplement and/or vitamin to be administered to the child. Dosage and time requirements must also be noted on the form. (One form per medication).
2. You must bring in the medication to the program office; as a safety precaution your child is not allowed to bring in the medication.
3. Please bring enough medication in the original container for the duration of the program.
4. At the end of the program, you need to come by and pick up any empty containers and/or remaining medication.
5. If your child stops taking medication during the program, please notify the Site Coordinator.
6. All medications and supplements must be kept in the program office and administered and dispensed only by the ACE 21st CCLC Site Coordinator or designated Lead.
7. Again we want to ensure the safety of your child at all times. We appreciate your adherence to these procedures. No medication will be given to your child, nor will your child be allowed to take any medication without your documented permission. If you have any questions, please contact the ACE 21st CCLC Site Coordinator.

Personal Technology Devices/Cell Phone Policy. Students enrolled in the ACE 21st CCLC are permitted to bring or possess only objects that have an educational purpose and will not distract from teaching and learning during the program day. A personal technology device (PTD) is a portable Internet accessing device that is not the property of the district that can be used to transmit communication by voice, written characteristics, words or images, share information, record sounds, process words, and/or capture images, such as a laptop computer, tablet, smartphone, cell phone personal digital assistant or E-Reader. The district is not responsible (monetary value or replacement) for theft, loss, or damage to PTDs, or other electronic devices brought onto CMS/ACE 21st CCLC property.

Snack Nutrition. ACE 21st CCLC provides a daily snack for each child attending the program. ACE 21st CCLC snacks are purchased through the Charlotte-Mecklenburg Schools School Nutrition Department http://my.cms.k12.nc.us/departments/childnutrition/Pages/Default.aspx, and meet nutritional guidelines established by the USDA. The monthly snack menu reflects a variety of healthy snack items. ACE 21st CCLC will provide alternate snacks to accommodate children with food allergies if a Dietary Request form signed by a physician is provided (form available from the Site Coordinator). Parents are to provide a nutritious lunch for students attending during teacher workdays. Each lunch should contain a protein, grain, fruit, vegetable, and dairy items. Student lunches should be labeled with the child’s name and date. Child Care Licensing requires lunches to be refrigerated.

School Safety and Emergency Response Plan. Every Charlotte-Mecklenburg School has a safety plan and an emergency response plan that includes ACE 21st CCLC hours. Plans include procedures for all doors to be locked after school hours, lockdown procedures, sheltering in place, and emergency evacuation in the event of a crisis.

Child Abuse and Neglect Reporting. North Carolina law requires that any school system employee who suspects a case of child abuse or neglect must report those concerns to the proper agency.

Parent Participation. Each ACE 21st CCLC site will have a Parent Participation Plan posted with other ACE 21st CCLC information for parents. We encourage your involvement with ACE 21st CCLC in any of a number of ways:
