ASEP snacks are purchased through the Charlotte-Mecklenburg Schools Child Nutrition Department <https://www.cmsk12.org/Doman/96>, and meet nutrition guidelines established by the USDA. The monthly snack menu reflects a variety of healthy snack items. ASEP will provide alternate snacks to accommodate campers with food allergies with a Dietary Request Form signed by a physician (available from the Summer Camp Director). Parents are to provide a nutritious lunch for campers (at applicable summer locations). Each lunch should contain protein, grain, fruit, vegetable, and dairy items. Camper lunches should be labeled with their name and date. Child Care Licensing **requires** lunches to be refrigerated.

Each student/family can have no more than three payees linked to an account

Authorized Persons to Pick up Camper. The ASEP summer site must have **written** authorization from parents for other persons to pick up their camper from ASEP. Authorized persons must be sixteen (16) years of age or older. No camper will be allowed to sign herself/himself out of ASEP. If a parent is not allowed to pick up a camper, ASEP must have a copy of the appropriate court order on file. Adults bringing or picking up a camper from an ASEP program must come into the building to sign the camper in or out. Picture identification is required when picking a camper up from the ASEP. Any changes to pick up should be communicated to the Summer Camp Director in **writing** (i.e., someone not on the authorized pick-up list).

CMS is a Tobacco Free Campus. School policy prohibits the use of tobacco products, including electronic cigarettes: Everywhere, **AT ALL TIMES**. THANK YOU FOR YOUR COOPERATION.

Intoxication. Your camper's safety is our first priority. At times, we are called to make judgments concerning their safety. If ASEP personnel believe that a person is intoxicated when they arrive to pick up a camper, we will help arrange an alternate plan of transportation for the camper and the adult. We will try first to contact another authorized person listed on their contract, and/or the emergency contacts listed on the camper's contract. If those means are unsuccessful, a cab will be called at the person's expense. If the person is suspected to be under the influence of drugs or alcohol and is unruly, uncooperative, or out of control physically, for the safety of the camper and staff person, ASEP personnel will determine if local authorities should be contacted.

Arrival and Pick-up Procedures. An ASEP staff person will greet you and your camper upon arrival. Each day your camper must be signed In/Out. Campers and staff will wash/sanitize their hands at a handwashing station set up near the entrance. At pick-up each evening, parents will be greeted at the door. Campers will be released once the parent/guardian has signed out their camper. Staff will escort campers to and from their classroom location.

Handwashing. Staff will teach and reinforce hand hygiene guidance for adults and campers such as washing hands frequently with soap and water for at least 20 seconds (about as long as it takes to sing "Happy Birthday" twice). Handwashing will be monitored to ensure both campers and staff are washing their hands correctly. Frequent handwashing breaks will be incorporated into classroom activity. In addition to usual handwashing, everyone should wash hands:

- Upon arrival in the classroom in the morning.
- Before and after eating meals and snacks.

- After blowing noses, coughing, or sneezing or when in contact with body fluids; or
- After toileting

Late Pick-Up Penalties. For every minute, a parent/guardian is late picking up a camper after the stated closing time i.e., 6:00 p.m., a late pick-up fee of \$1 is charged per minute. **After the third late pick-up as well as habitual and excessive late pick-ups, a camper may be excluded from the summer camp program.**

Behavior Guidelines. Each ASEP site has clear, written behavioral expectations of the staff and campers at the site, and a plan outlined to maintain a positive environment. You will be asked to read and sign these guidelines with your camper on the first day of participation. Campers suspended from ASEP summer programming are not allowed to attend ASEP summer programming until the suspension is complete. The full weekly fee is still due, credits for a camper's absence due to suspension will not be given. Parents/Guardians dropping off and picking up campers are also expected to exhibit proper behavior to maintain a positive environment. Parents/Guardians exhibiting hostile behavior including the use of profanity or communicating threats, etc. toward staff or other families are subject to being released from the program or banned from campus.

Sick Student and Epidemic Control Policy. For the protection of all campers enrolled in the program, ASEP will not allow a camper to participate in a group if s/he shows any of the following symptoms: a fever of 101 degrees or higher, diarrhea, vomiting, a rash, nasal discharge or discharging eyes or ears, or conjunctivitis (pink eye). Should a camper develop these symptoms during the summer programming day, the camper will be removed from the group and the Summer Camp Director or designated staff member will contact the parent or guardian to pick up the camper from the program. The camper may return to the program when s/he has been *symptom-free for 24 hours*. Parents will be informed if there is an outbreak of a communicable disease in their camper's group.

Medication Policy. ASEP wants to provide your camper with the best and most accurate care possible. Therefore, if your camper will be taking medication at any time during their program period, you must follow these steps:

1. Parents/Guardians must complete a medication form, including physician's signature for each prescription medication, non-prescription medication, supplement and/or vitamin to be administered to the camper. Dosage and time requirements must also be noted on the form. (One form per medication).
2. You must bring in the medication to the program office in its original container; as a safety precaution your camper is not allowed to bring in the medication.
3. Please bring enough medication in the original container for the duration of the program.
4. At the end of the program, you need to come by the ASEP Summer Camp Directors' office and pick up any empty containers and/or remaining medication.
5. If your camper stops taking medication during the program, please notify the on-site Summer Camp Director.
6. All medications and supplements must be kept in the program office administered and dispensed only by the ASEP Summer Camp Director or designated Lead.
7. Again, we want to always ensure the safety of your camper. We appreciate your adherence to these procedures. No medication will be given to your camper, nor will your camper be allowed to take any medication without your documented permission. If you have any questions, please contact the ASEP Summer Camp Director.

Personal Technology Devices/Cell Phone Policy. Campers enrolled in the ASEP Summer Camp are permitted to bring or possess only objects that have an educational purpose and will not distract from teaching and learning during the program day. A personal technology device (PTD) is a portable Internet accessing device that is not the property of the district that can be used to transmit communication by voice, written characteristics, words or images, share information, record sounds, process words, and/or capture images, such as a laptop computer, tablet, smartphone, cell phone personal digital assistant or EReader. The district is not responsible (monetary value or replacement) for theft, loss, or damage to PTDs, or other electronic devices brought onto CMS/ASEP property.

Camper Abuse and Neglect Reporting. North Carolina law requires that any school system employee who suspects a case of child abuse or neglect must report those concerns to the proper agency.

Parent Participation. We encourage your involvement with ASEP in any of a number of ways:

- Communication with site staff about your camper's experience in summer camp.
- Complete a parent survey at the end of your camper's camp experience.
- Participate in virtual/in-person site parent meetings.
- Donate games, books, and toys. It is ASEP policy that parents are not to be asked for any additional money for program activities, parties, field trips, special treats, or any other reason. The weekly fees cover all services provided by ASEP.

Parent Questions and Concerns. We want to address your questions and concerns in a timely and professional manner. The Summer Camp Director may be reached on-site or by calling the school phone. Requests for specific information or concerns about specific incidents should be addressed to the Summer Camp Director.
