## Student Dress Code Policy

*Our school-wide Student Dress Code policy allows us to ensure a safe environment for all. This policy is aligned to district expectations and to the dress code policies at surrounding high schools so we may prepare students for the expectations that await them in their last four years of K-12 education. ALL students must adhere to the policy at all times. We ask our families to assist us by supporting this policy and ensuring that every student reports to school dressed in accordance with the policy, daily.*

At all times, a student must maintain school appropriate personal attire and grooming standards that promote safety, well-being, and acceptable standards of social conduct, and are not disruptive to the educational environment. Students' clothing must fit properly; therefore, clothing that is excessively tight, loose fitting, too short, too revealing, etc. is unacceptable. Students are prohibited from wearing and/or carrying clothing, accessories, and/or items that represent, promote, suggest, and/or display anything unsafe and/or unacceptable in the educational environment—this includes, but is not limited to words, pictures, signs, symbols, insignias, etc. related to drugs; alcohol; tobacco; profanity; hate speech; violence; fatality; sexual activity; gang affiliation; illegal items/actions; negative disruption; and anything else the school administration deems inappropriate.

Please Note: School Administration reserves the right to prohibit a particular item of clothing, accessory, etc. even if it is not specifically outlined, indicated and/or included in this policy. In addition, throughout the school year, School Administration, CMS, CMSPD, and/or CMPD may determine additional clothing, accessories, items, etc. that are disruptive to a safe learning environment; therefore, School Administration has the right to adjust this policy at any time. If/and when a change to the Student Dress Code Policy is modified, families and students will be notified. Eastway students are expected to adhere to the Student Dress Code Policy; violations may result in disciplinary action. A violation of the Student Dress Code Policy requires parent/guardian contact and the request for a change of clothing and/or appropriate item to be brought to school. If we are unable to make contact with the parent/guardian, the school will loan the student a uniform-style clothing item, accessory, etc. that must be returned the following school day. Consequences will be assigned for any student who is not compliant with the dress code and/or for those who refuse to become compliant after being given the opportunity.
