Team members have experience working with parents from a variety of culturally and socioeconomically diverse backgrounds. Allenbrook Elementary's Parental Involvement Policy was initially developed after gathering and analyzing a variety of data from the 2020-2021 school year. Some turnover has taken place, so the Allenbrook School Leadership Team is in the process of planning the initial “Gator Parent Club.” The Gator Club will be a representative sample of our families and will provide a forum for parent voice and agency.

Members of the School Leadership Team have had several conversations and meetings to provide parents with authentic opportunities to share their aspirations for the school and to give feedback on their experience last year. Input garnered from these meetings has served to inform small but careful revisions to our school's policy.
