

PARENT LETTER - School Performance Grades of D or F
Low Performing School

*Blythe Elementary School
12202 Hambright Road*

10-8-2024

Dear Parent/Guardian,

Legislation (G.S. §115C-83.15) passed during the 2013 long session of the North Carolina General Assembly provides parents with an additional measure of school performance in the form of School Performance Grades. Beginning with the 2013–14 school year, the annual North Carolina School Report Cards display a letter grade of A, B, C, D, or F for each school in the state.

The School Performance Grades are based 80 percent on our school’s achievement score (student proficiency) and 20 percent on students’ academic growth. At Blythe Elementary, our achievement score for the 2023-2024 school year is based on how well our students performed on End of Grade Tests in *Grades 3 – 5 Mathematics, Grades 3 – 5 English Language Arts/Reading and Grade 5 Science and additional indicators including English Learner Progress.*

The purpose of this letter is to inform you that Blythe Elementary has been designated as a low performing school by the North Carolina State Board of Education. As defined in G.S. 115C-105.37: “The State Board of Education shall identify low-performing schools on an annual basis. Low-performing schools are those that earn an overall school performance grade of D or F and a school growth score of "met expected growth" or "not met expected growth" as defined by G.S. 115C-83.15.”

Blythe Elementary received a School Performance Grade of D and a growth designation of Did Not Meet for the 2023–2024 school year. Although we are committed to improving this score, it is important to remember that just as no one single score or grade tells the whole story of a student, neither does it tell you everything about the performance of a school or the opportunities that our school provides such as our IB program that was ranked in the Top 25 Magnet School of America. (*List programs that make your school special.*)

As a low performing school, we are required to develop an improvement plan that specifically addresses how the school will improve both the school performance grade and school growth score. The plan will also include how the superintendent and other central office administrators in the district will work with us and monitor the progress of our school. We are already engaged in the work of refining our plan and will present the plan to our school board at their next meeting, October 8, 2024 where the plan will be presented for approval. The final plan will be available for review www.emsk12.org/blythe.

One of our top priorities for 2024–2025 is to improve our School Performance Grade. There are a number of key programs we have in place to help improve student performance. These include:

- Positive Behavior Incentive Program – supports and builds SEL skills, and an overall positive school community.
- Targeted Grade Level planning to include unpacking standards, modeling of best practices and exemplars
- School-wide Coaching and Feedback professional development and support
- Data Analysis and Action Planning
- Fall and Spring Curriculum Nights to promote Parent Education and Engagement

We hope you will closely follow your student’s academic progress and work with his or her teacher(s) to help ensure they stay on track academically. Working together as a team, we can improve not only how well our students are performing individually, but how our school is performing as a whole. There is nothing more

PARENT LETTER - School Performance Grades of D or F
Low Performing School

important to administrators and teachers at Blythe Elementary than ensuring students are ready for the next step in their academic careers. I look forward to working with you to make sure your student is on track for success.

If you have any questions or concerns regarding our School Performance Grade and how we plan to improve, please don't hesitate to contact Felisa Simpson, Principal at 980 343-5770.

Sincerely,

Felisa Simpson
