

# Dual Language Immersion in Charlotte-Mecklenburg Schools

Through successful dual language immersion programs in CMS, students will:

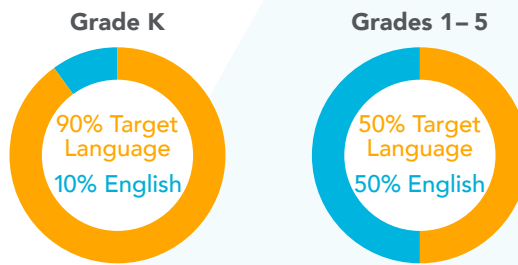

What does dual language immersion look like?	One-way immersion	Two-way immersion
Pathway can be implemented as a track within an existing school		✓
Pathway begins in kindergarten. Late-entry after kindergarten may be possible through the Magnet Office	✓	✓
Class equally composed of native <b>and</b> non-native speakers of the target language		✓
Class mainly composed of students who <b>are not</b> native speakers of the target language	✓	
Core subjects are taught in the target language by native/native-like teachers	✓	✓
Pathway includes targeted daily English instruction in specific grade levels *	✓	✓

\* Grade levels with English instruction vary based on language program and model.
