Review of Sept. 23 Family Curriculum Event

- **Comments**
 - Great attendance
 - Went well
 - Parents enjoyed the giveaways
 - Food process went well
 - Need a guide to show parents where teachers were located because some teachers didn't have parents come over since information was available regarding curriculum at the food table.
 - Inviting, engaging, and outside of the box
 - Food was convenient for parent after transitioning from work

A full time school Translator has been added to the staff.

- Mrs. Nunez is our full time translator (verbal and written).
 - She prefers to verbally translate in a private setting to respect privacy.

III. New Business

- Indicators to Assess- Create- Monitor: **E1.06 The school regularly communicates with parents/guardians about its expectations of them and the importance of the curriculum of the home.** How is communication going from school to home and from home to school? Weekly Parent Square/Connect 5 (DoJo for Elementary Grades)
 - Parent square, dojo, text, connect 5 messages
 - Some MS parents are not getting parent square messages.
 - Text message is being followed up as a means of communication.
 - Recommendation: follow up with Ms. Fields to verify PS phone numbers are current
 - Encourage parents to sign up during parent conferences.
 - The ease of parent square is great from a teacher perspective.
 - The key is getting updated phone numbers
 - Connect 5 messages are helpful too
