

**Roles and Responsibilities of Title I School Compliance Coordinators  
2022-2023**

I acknowledge that I have received the CMS Title I Compliance Coordinator Stipend Memo and the Compliance Coordinator Roles and Responsibilities document. I also acknowledge that if I do not meet the quarterly compliance documentation requirements (within five business days of the due date) that I will not be eligible for the pro-rata share of the stipend for any quarter that is not complete by the deadline.

I understand that the stipend amount is \$1000 in gross pay. My net pay will be based on my personal income tax rate and other standard deductions (FICA and retirement).
