▷ Indistar Platform
▷ Review School Improvement Plan
  ▪ Review Key Indicators and Action Steps
▷ Title I Budget
▷ Title IX
Functions of the School Improvement Team

- Facilitates the involvement of the school community in the development of the School Improvement Plan
- Encourages, supports and creates opportunities for involvement from parents in the community
- Contributes to the design of the School Improvement Plan
- Monitors the effectiveness of the School Improvement Plan strategies
Duties of the School Improvement Team

Members of the School Improvement Team are directly involved in the development of the School Improvement Plan, and as appropriate, some of the day-to-day operations of the school.

The School Improvement Team:
- Facilitates the development of the School Improvement Plan.
- Uses data as the driving force to create programmatic instructional change.
- Monitors, assesses, and amends the School Improvement Plan, as needed.
- Advances policies and procedures that enhance achievement and meet educational, safety and parent involvement goals.
- Facilitates communication within the Professional Learning Community.
- Builds the capacity of the school to address parent and staff concerns.
- A mindset; a way of thinking about and approaching work
- Learning from what’s been done to improve what’s possible
- A cycle that informs how people and organizations get better over time
- Tools and templates support this process, but continuous improvement is first and foremost is a mindset
