Good Evening Myers Park High School Families,

### REPORT CARDS:

Report cards will be mailed home to families beginning **Wednesday, June 14**. Due to delayed English II EOCs and delayed World Language final exams, some students will have an INC for their final exam grade in the class. This will have an impact on the final grade for the course. Once all exams are graded and returned, these final exam grades and final grades will be updated in PowerSchool. New report cards will not be mailed home. Families should monitor PowerSchool for updates.

If a student has been “retained”, then it will be noted on the report card. All other students have been “promoted” except for those students that have delayed final grades due to INC exams. Promotion and retention for those students cannot be determined until all grades are finalized.

The final day to register for summer school will be **Thursday, June 21**. Myers Park will have initial credit options and credit recovery options available to students. Please contact [Sequoia Goodman](#), Counseling Department Chair, for more information. If a student has already been registered for summer school, then please be patient. More information is forthcoming. The registration process does not need to be repeated.
