What is a Title I school?

Title I is the largest federally funded educational program. A Title I school is a school receiving federal funds for students. The basic principle of Title I is that schools with large concentrations of low-income students receive supplemental funds to meet students' educational goals.

What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for the following:
 - Identifying students experiencing academic difficulties and providing timely assistance to help students meet the state's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies
 - Conducting parent and family engagement meetings/trainings/activities
 - Recruiting/Hiring/Retaining Highly-Qualified Teachers
- Being a Title I school also means encouraging ongoing parent and family engagement and advocating for parents' rights

What is the 1% set-aside and how are parents involved?

- Any Local Education Agency (LEA) or school district with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of the Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the LEA/district level for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the district. In CMS, each Title I school receives its portion of the 90% to implement school-level parent and family engagement activities and events
- Title I parents have the right to provide input into decisions regarding how this money is spent. This process is completed through the School Improvement Team (SIT)

What is the CMS Parent and Family Engagement Policy?

- This policy addresses how the district or LEA will implement the parent and family engagement requirements of the *Every Student Succeeds Act (ESSA)*. It includes the following:
 - The district's expectations for parents
 - How CMS will engage parents in decision-making
 - How the district will work to build the schools' and parents' capacities in the implementation of effective parent and family engagement activities to improve student academic achievement
- Parents and families in Title I schools have the right to be engaged in the review/evaluation of this annual policy

What is the School Improvement Plan/NCStar Plan?

The School Improvement Plan (SIP) is created in an online platform called NCStar and includes:

- A Comprehensive Needs Assessment
 - Goals and Strategies to Address Academic Needs of Students
 - Professional Development Needs
 - Coordination of Resources and Comprehensive Budget
 - The School's Parent and Family Engagement Goals

What is the School Compact?

- The compact is a commitment from the school, the parent/family, and the student, to share in the responsibility for improved academic achievement
- Parents and families of students in Title I schools have the right to be involved in the revision/review of the School Compact

How can I volunteer to assist my student with school needs?

- Volunteer to support events and school activities.
