Achievement Levels on State Assessments

NP: Inconsistent Understanding

Level 3:   Sufficient Understanding (Grade-Level Proficiency)

Level 4:   Thorough Understanding (College and Career Readiness)

Level 5:   Comprehensive Understanding (College and Career Readiness)

Common Language

EL	English Language Learners*
SWD	Students with Disabilities
AIG	Academically or Intellectually Gifted
EDS	Economically Disadvantaged Student

Students who are classified as English learners (EL) take an English language attainment assessment, which is included in the accountability model for students in grades three through eight and tenth. Sometimes students in this student group are referred to as multilingual learners.

*Math 1 Middle & High School is an unofficial calculation. The state does not share an official Math 1 EOC GLP or CCR rate for both high school and middle school students combined. The test numerator (GLP & CCR) and denominator for both the high school and middle school MATH 1 EOC were summed to provide this calculation. In 2018-19, new math assessments were created, so rates cannot be compared to previous years.

SEPTEMBER

K-5 ACADEMIC LEARNING UPDATES: UNPACKING MODULE 2

Join us for an engaging family session where we will provide an overview of Module 2 at each grade level. Parents will have the opportunity to review and inquire about the module overview letters for module 2. Additionally, we will showcase module overview videos for Grade 2 and Grade 4, offering valuable insights into the upcoming curriculum. QR codes will be distributed for easy access to module information for other grade levels. This session aims to foster collaboration and understanding between home and school for the academic success of every student.

September 19 (Virtual)   12:00 PM

CHOOSING FOR THE FUTURE / SELECCIONAR PARA EL FUTURO

Join us for a workshop designed to guide families through the school selection process, helping you find the best match for your child's desires and your family's needs. Offered in Spanish, this session will empower you with the knowledge to navigate the district's website for school choice, the state website for school report cards, and the district's resources for student career identification. By the end of the workshop, you will confidently access these essential tools to make informed decisions about your child's education, including the right school for your student.

Únase a nosotros en un taller diseñado para guiar a las familias en el proceso de selección escolar, ayudándoles a encontrar la mejor opción para los deseos de su hijo y las necesidades de su familia. Ofrecido en español, esta sesión le proporcionará el conocimiento para navegar por el sitio web del distrito para la elección de escuelas, el sitio web estatal para los informes escolares y los recursos del distrito para la identificación de carreras estudiantiles. Al final del taller, podrá acceder con confianza a estas herramientas esenciales para tomar decisiones informadas sobre la educación de su hijo, incluyendo la mejora escuela para su estudiante.

September 19 (Virtual)   6:00 PM

UNPACKING THE DIBELS HOME CONNECT LETTER FOR K-3

Participants will leave with an overview of the DIBELs assessment. Participants will gain understanding in the DIBELs Home Connect Letter and how to support student learning needs. In addition, participants will leave with recommended resources on how to support their student's learning needs at home.

September 19 (Virtual)   6:00 PM

- In person and virtual opportunities to learn more about things that are important to helping your child succeed

- Some sessions are led by community partners
