

Assessment Notification

During January, February and March, school staff will administer the ACCESS for ELLs (*Assessing Comprehension and Communication in English State-to-State for English Language Learners*). The ACCESS for ELLs will be administered to all students identified as Limited English Proficient enrolled in Kindergarten through Grade 12. This annual spring assessment is required to meet NCLB Title III provisions for Limited English Proficient students. It is used to monitor student progress in speaking, listening, reading and writing English. Teachers and administrators use this assessment to improve instruction.

Each family will receive a Parent Notification Letter that includes the student's ACCESS test results.
