

## Parent-Teacher Conference

Greetings Raider Families, 3rd Quarter will end on Friday, March 24, 2023. Ranson IB Middle School will conduct parent conferences during the week of March 27-April 3, 2023. Parent Conferences will afford you an opportunity to meet with your scholar's teacher(s) to discuss their academic performance during the third quarter.

First, select the time you'd like your child's teacher to contact you. Then select the day and time you'd prefer to schedule your conference. Be sure to select the teacher(s) you want to meet with. Your scholar's homeroom teacher (or the teacher you've selected) will contact you to finalize the conference date and time. Conferences will be scheduled on a first come, first serve basis. We look forward to meeting with you!

\*Please use the link below for your child's specific grade level to request a conference. A separate form will need to be completed for each child.
