

Supply Lists

Families,

This document contains the Supply Lists for all grade levels at Idlewild Elementary School. The district provides funding for instructional supplies and materials; however, some grade levels and individual teachers would like to request additional items to ensure our students have the supplies needed for special projects and to enhance the overall learning experience. Additionally, some supplies are not permitted for purchase at the school level so your support is truly valued and much appreciated. If you have any questions about the supplies, please contact your child's teacher.

Please know we are grateful for your generosity and your willingness to support these requests...together we are champions for children! This is going to be an incredible year.

Sincere Gratitude,

The Faculty and Staff of Idlewild

THANK YOU

Kindergarten
