i. **School Improvement Plan -** Goals and Action Items - same goals set by the district and targets set by the district as well. Goal 1: Want to increase black and hispanic students at CCR from 27.4% (we were actually 31% at EOY) to 50%. Goal 2: Meet or exceed EVAAS about growth for students as well as proficiency. Becky shared data from past several years. Exceeded growth last year. Continuing our focus on math. EVAAS is only based on EOGs for 3-5 for the school score. Goal 3: Positive self perception based on Panorama data. Met goal last year and need to increase to 78%. Waiting to get the green light to administer the Panorama (need permission with Parent Bill of Rights). Goal 4: Decrease Out of school suspensions from 7. We did not meet this goal. Had 23 suspensions with 11 different students. 7/11 had one, 4/11 had multiple. 9/23 from one student who has since moved to a more appropriate setting. Goal this year is to decrease from 23. Other goals: Duty free lunch and duty free planning, positive climate and culture. We have action steps to help achieve all these goals.

ii. **Enrollment and Staffing -** Enrollment numbers were shared: 685 total: 54 PreK, 104 K, 122 1st, 107 2nd, 100 3rd, 104 4th, 94 5th. Staffing: Renae White has resigned to take care of grandbaby (worked out a system of shared staff between the two campuses). Ms. Savage in PreK on extended leave with health concerns (Kelly Bobrowski is covering). Sign language special is being covered by TA rotation. Katie Feeney in 5th grade left to be a TD teacher.

Sarah Mitchell is a guest teacher covering that 5th grade class. 1.5 TA positions are still trying to be filled.

iii. **Title IX** - All lessons have been completed in classrooms. Families can opt out as needed. Lessons vary from acceptance, being kind, everyone is unique, etc. Positive lessons and available for parents to review. No formal investigations have been done.

iv. **Curriculum Night** - Amber Rivera shared: all teachers held two sessions and met with homeroom parents but shared slides/ presentations as a grade level. Shared information about curriculum, strategies, etc. Discussion about moving back to in person curriculum nights. Gathering input from many stakeholders to see what people want to decide next steps.
