

## RESOURCES FOR IMMUNIZATIONS AND PHYSICALS

Your physician or healthcare provider is the best resource for information on your child's immunization and health record status. This is a busy time of year for immunizations and physicals and appointments fill up quickly--please plan ahead.

Remember to bring your original or official immunization records with you to the clinic

### **What to bring to the clinics?**

Proof of immunizations is required so the clinic knows which shots your child needs.

- Your child's Certificate of Immunizations; original shot record or copy; or a record from the North Carolina Immunization Registry (NCIR).
- The health department or your school nurse *may* be able to provide an NCIR record, if it is available in the system.
