

Bronco Times

Week two has gone by quickly with our daily routines becoming more consistent, instruction ramping up, athletics starting up, and clubs beginning to advertise. Our students have done a great job with behavior through the first two weeks with nearly 1300 still maintaining their clean green status. We have lots happening in September as you can see below in #5.

Thomas' Top 5

1. School Improvement Team - ***If you are interested in serving on our School Improvement Team, please email Mr. Thomas at the email address listed below.*** Our School Improvement Team (S.I.T.) will meet once a month on the

second Tuesday from 6:00-7:00 pm. Monthly discussion will vary based upon current issues, concerns, or initiatives. Our first meeting will be held next Tuesday, September 12th at 6:00 pm in the Media Center: chad.thomas@cms.k12.nc.us

2. Please Complete The BIG 5 – **Online Blue Emergency Card**, **SB49 Student Information Form**, **Pay the \$30 Bailey PTSO Student Fee**, **Technology Form**, and **Title IX Opt Out Form** . All of these can be accessed from our website or from the hot links below. Thanks to those who have already completed five :)!

3. Discount Card Fundraiser - We will kick-off our annual PTSO Discount Card Fundraiser yesterday so your Bronco should have brought home an envelope with a prize sheet and 5 Bailey Discount Cards to sell. The cards are \$10 each and include a variety of discounts at local restaurants and businesses, which have been very popular over the past 13 years. This is our main PTSO Fundraiser for the year so please try to have your student sell at least 5 cards. We will have three turn-in days for money collection: **Thursday, September 14** (Big Candy Giveaway), **Thursday, September 21** (Drawing for Amazon Gift Card), and the final turn-in on **Thursday, September 28** (Cash Box Grab). Unsold cards should be returned on one of the turn-in days. The prize sheet is included in the information packet that each student will bring home and includes an off-campus trip to LKN Mini Golf for anyone who sells 10 cards or more.

4. Buses – CMS Transportation is continuously working on improving our route times for morning arrival and afternoon dismissal. Once we get through the first 10 days of school (next week), stops will be dropped and buses will be consolidated so times should become more consistent and get our kids to and from school on-time. We are communicating daily with them and sharing concerns that we all have regarding late and overcrowded buses in the am and pm. Thank you for your patience!

We hope the first week of school has been as smooth as possible even though getting back into the routine of school can be a bit of an adjustment “[Back-to-School Resources](#)”. We wanted to share this free resource with you. Here is an article from Newport Healthcare.
