

Albemarle Road Middle School

Replacement Project

The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

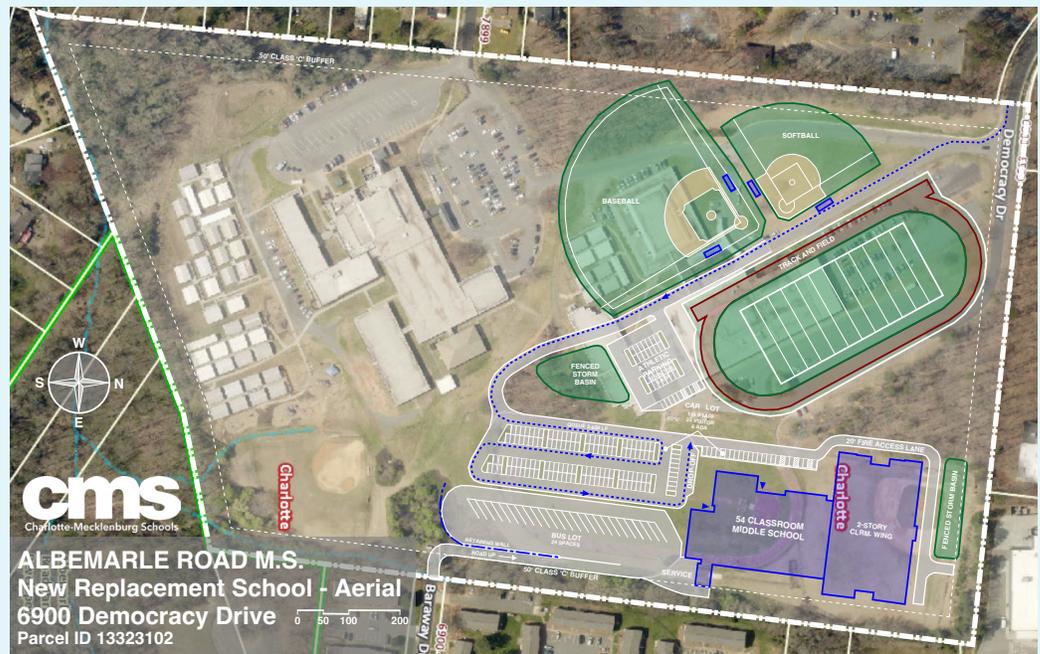

School Board Member District 4

Albemarle Road Middle School is an onsite replacement project. This means that the existing facility will be replaced with a state-of-the-art, 54 classroom baseline facility on our current site. The new school will be constructed while we continue to operate in our existing space; when complete, we will relocate to the new facility.

Estimated Cost:
\$97,732,036
