Based on nine (9) LC zones:

Montclair ES falls under Myers Park and East Mecklenburg, and Collinswood Language Academy K8 falls under South Mecklenburg, Olympic, Palisades, and Harper. Based on the existing boundaries in the GIS data of CMS Elementary Schools, these are within the same elementary school boundary.
 McAlpine falls under South Mecklenburg, Olympic, Palisades, and Harper, but on a map, it falls under Ardrey Kell, Butler, Providence, Virtuals, and Levine as it shares ES boundary with other schools.
 Mint Hill ES has a split and has two High Schools: Independence and Butler. It comes under Independence, Rocky River, and Cato based on the LC zone. These schools fall into two different zones on a map.
