

Garinger High School

Renovation Project

The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

School Board Member District 3

The Garinger High School bond project involves a series of essential upgrades and improvements. The plan includes the construction of a new, modern kitchen/cafeteria, specialized classrooms, a gym, and enhanced athletic facilities. The existing kitchen/cafeteria will be renovated and repurposed to maximize its functionality and adapt it to meet the school's evolving needs. These enhancements aim to create a more conducive and engaging learning environment for students while providing state-of-the-art amenities to support various educational and extracurricular activities.

Estimated Cost: \$54,905,692
