

Sedgefield Elementary School

Renovation Project

The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

School Board Member District 5

The Sedgefield Elementary School renovation project involves a strategic realignment of educational resources. The Montessori PK-6 program will be relocated to a converted Sedgefield Elementary School, creating an enriched learning environment. Park Road Montessori will be replaced with a modern 45-classroom facility, catering to the needs of Dilworth Elementary School's paired schools. Additionally, the project includes the repurposing of Dilworth Elementary for an upcoming magnet Middle School program, reflecting a comprehensive effort to enhance educational opportunities and provide innovative spaces for diverse learning approaches.

Estimated Cost: \$89,491,971
