As we close out the first week, I have to say that overall it’s been one of the best I’ve experienced. Our car rider line has been really good with all of our kids gone by 4:40 pm yesterday. Buses are still a work in progress, but much better than the first week has been in recent history. Our Broncos are also off to a great start with getting into the flow of school and focusing on being nice to each other and staying engaged in class. Please review the “Thomas’ Top 5” below and enjoy the long Labor Day Weekend.

**Thomas’ Top 5**

1. Please Complete The BIG 3 – Online Blue Emergency Card, SB49 Student Information Form, and Pay the $30 Bailey PTSO Student Fee. All of these can be accessed from our website or from the hot links below. Thanks to those who have already completed all three :)!

2. **Chromebooks** – Please continue to remind students to charge their Chromebook nightly and bring both the Chromebook and charging cord back to school each day. We still have some students who have not returned their (Yellow) CMS Chromebook usage permission form. If you have not seen or signed this form,
3. **Discount Card Fundraiser** - We will kick-off our annual PTSO Discount Card Fundraiser next **Thursday, September 7th** so look for cards and information to come home with each student that evening. The cards are $10 each and include a variety of discounts at local restaurants and businesses, which have been very popular over the past 13 years. This is our main PTSO Fundraiser for the year so please try to have your student sell at least 5 or more cards. We will have three turn-in days for money collection: **Thursday, September 14th** (Big Candy Givaway), **Thursday, September 21st** (Drawing for Amazon Gift Card), and the final turn-in on **Thursday, September 28th** (Cash Box Grab). Unsold cards should be returned on one of the turn-in days. The prize sheet is included in the information packet that each student will bring home and includes an off-campus trip to LKN Putt Putt for anyone who sells 10 cards or more.

4. **Say Something App Training** – On Friday, September 8th, students will attend a virtual training for our Say Something App. This is not one of the Opt-in/out items that falls under SB49 so no permission form will be sent home. The App gives students a confidential voice to report a variety of concerns that will help keep our campus safe. More information about the Sandy Hook Say Something App is located at: [https://www.sandyhookpromise.org/our-programs/say-something-anonymous-reporting-system/](https://www.sandyhookpromise.org/our-programs/say-something-anonymous-reporting-system/)

5. **Title IX lessons** – Students will participate in our annual Title IX Lessons on Friday, September 15th to ensure that they understand how to report incidents involving harassment and consequences for harassment. This is a Federal Requirement so once again no permission is required for students, but parents may opt-out using the attached form. Parents can preview the lessons using the following link as well.

Create a Great weekend,

Chad Thomas
Principal

Officer Nobles – Car Rider Dismissal Procedures

In order to maintain safety and traffic flow, please pay attention to the car in front of you and use only hands-free devices when the traffic moves.

Thank you for your attention and cooperation!

Hey, Bronco Parents!

Bailey Middle School PTSO is looking for volunteers to help with collections for our Fall Discount Card Fundraiser. Do you have a few hours to spare on 9/14, 9/21 or 9/28? Follow the VOLUNTEER LINK and sign up to help out.

Thank you for supporting BMS PTSO!
