November 2022

Dear Parent/Guardian:

As a parent/guardian of a student in Coulwood STEM Academy, I am writing this letter to let you know that Coulwood STEM Academy has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is underperforming. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, Coulwood STEM Academy is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Coulwood STEM Academy this year:

- Ensure that all students can fully demonstrate the capacities of college and career readiness.
- Provide effectively designed instruction based on a written, taught, and assessed curriculum.
- Provide a positive school climate under CMS regulation, JICK-R, by promoting a safe learning environment free of bullying and harassing behaviors.
- Student achievement will increase and meet high growth status, due to effective lesson planning and learning facilitation.
- School culture will support students’ emotional needs.
Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies Coulwood STEM Academy will be implementing:

- Gender-based classrooms in grades 6 & 7
- Literacy Support in Grades 6-8
- Rigorous STEM electives
- Assessing and measuring student progress throughout the year

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student’s teacher(s).
- Call 980-343-6090 if you have questions or concerns about your student or to set up an appointment to meet with the school Social Worker, Mr. O’Neil Walker, who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student’s homework.
- Monitor the progress your student is making and attend meetings with your student’s teacher(s).
- Keep track of our website https://www.cmsk12.org/coulwoodMS
- Volunteer.
- Join the Coulwood STEM Academy PTA

Sounds like a lot but preparing our students so that they can succeed is not easy and is a group effort. Here are some resources available to help:

- Mr. O’Neil Walker, School Social Worker or Mr. Michael Clark, Communities in Schools at 980-343-6090
- Graduation requirements: www.ncpublicschools.org/gradrequirements/
- K-12 standards in academic subjects: www.ncpublicschools.org/curriculum/
- State student achievement test results: www.ncpublicschools.org/accountability/

We’re excited about this school year and are working to make it a success for your student. Already, we have:

- Met or Exceeded Growth in all areas for all sub-groups for 2021-2022.
- Implemented the AVID program.
- Implemented the Cambridge Program.

If you have questions about the content of this letter, please contact Coulwood STEM Academy at 980-343-6090.

Sincerely,

[Signature]
Dr. Janet L. Moss, Principal
