

Dilworth Elementary School

Renovation Project

The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

School Board Member District 2

The Dilworth Elementary renovation project entails significant transformations to accommodate evolving educational needs. The project involves replacing Park Road Montessori with a modern 45-classroom school designed to serve the paired schools of Dilworth Elementary. Furthermore, Dilworth Elementary School itself will undergo repurposing to support an upcoming magnet Middle School program. These renovations are poised to create an inclusive and dynamic educational environment, fostering innovative learning experiences for students across a range of grade levels and educational approaches.

Estimated Cost: \$89,491,970

Questions for CMS?

If you have questions about the CMS construction projects or the CMS 2023 general obligation bond referendum, don't hesitate to reach out to CMS Communications Services at (980) 343-7450 or email your questions to cmsbond@cms.k12.nc.us.
