SCMS Cell Phone Policy:

The school's cell phone policy is that cell phones are considered personal property and are permitted. They must be powered off and out of sight during the day. We have land lines in the front office if a student needs to contact you during the day. Our front office staff is often having students show up to go home sick or to pick up a dropped off item. The front office is unaware because the student is communicating through their own device which is a violation of our policy. If you receive a text or call from your child's personal device, please refer them to the office.

Thank you for your continued support.

Parents: It's almost the end of the year. EOG/EOC testing is coming up in May. Please consider volunteering to help proctor. I am hoping by sending this out early you will be willing to take a day or two or three to help at South Charlotte Middle School. Each day will require up to 4 hours of your time. I will do my best to honor your time and release you as soon as possible. With your help, this testing time will run smoothly. Note: You are not allowed to proctor in the same grade level as your child(ren). Please forward on to any family (grandparents, uncles, aunts, friends) who may be willing to help out.
